

DASHBOARD NODES FOR CREATING WEB UI

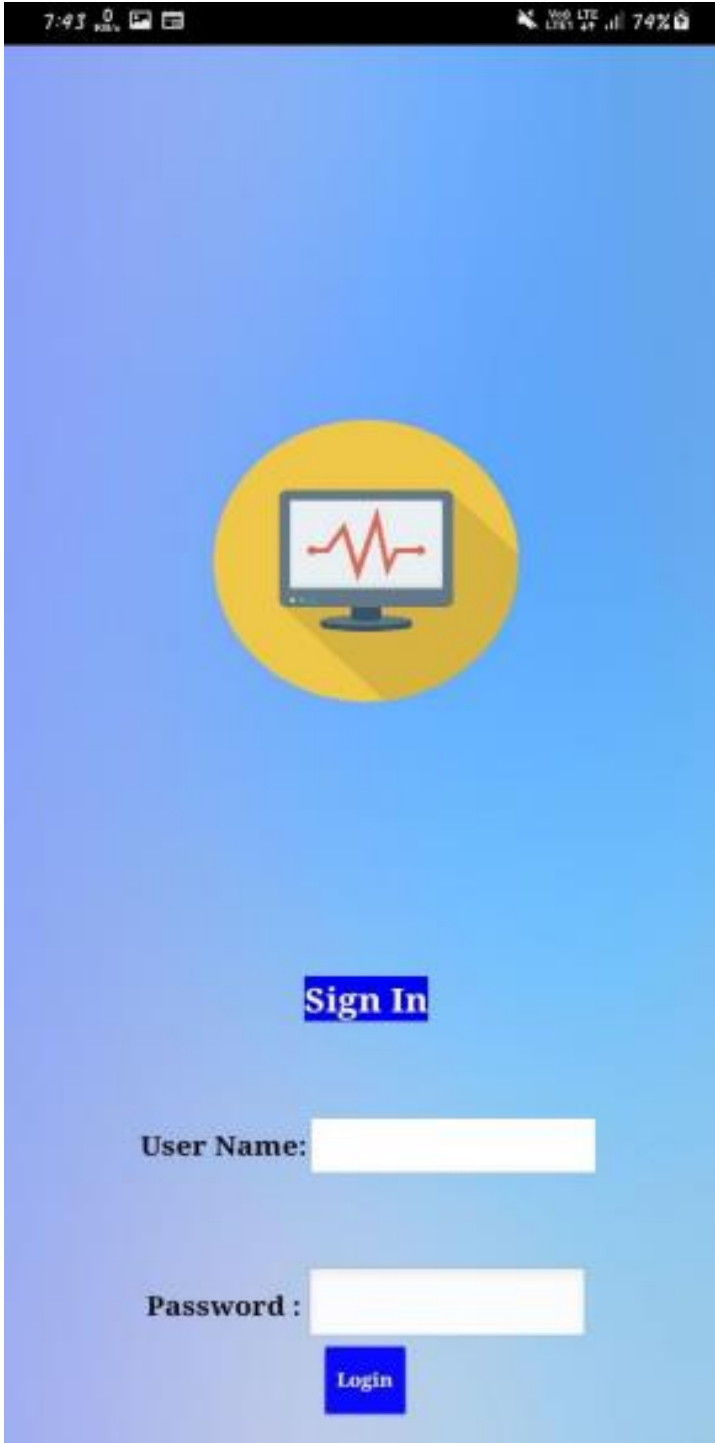

Team ID	PNT2022TMID53571
Project Name	Gas Leakage Monitoring and Alerting System for Industries

Mobile App:

Login Screen:

The login screen features a blue gradient background. At the top, a black status bar displays the time 7:43, 0 notifications, and battery level 79%. In the center, a yellow circle contains an icon of a computer monitor with a red ECG line. Below this, the text "Sign In" is displayed in white on a blue rectangular button. Underneath, the labels "User Name:" and "Password :" are positioned to the left of two white input fields. At the bottom, a blue rectangular button with the text "Login" in white is centered.
